Innovation and technology join forces to the benefit of sustainable progress. This concept is synonymous with saving water and optimising space. Its innovative system filters the wash-basin water so it can be reused in the toilet. A unique, distinct and original design that brings elegance and sustainability to the bathroom. This product's innovative technology is totally sustainable.

Designed by  
**Gabriele & Oscar Buratti**

In 1991, architects Gabriele & Oscar Buratti, together with engineer Ivano Battiston, created the agency BURATTI + BATTISTON ARCHITECTS, which designs offices, shops, apartments and villas, as well as everything connected with the architecture of stands and exhibitions, not to mention different types of objects.
